PERFORMER

A perennial favourite.

A winning combination of quality and strength

- Hard-wearing, non-reflective HPC desktops, 25 mm in thickness.
 - Straight edges protected by 3 mm thick, impact-resistant ABS edge banding.
 - Overall desk height : 73 cm.
 - Support frame structure.
- Metallic modesty panels.

Wiring made easy

- Integral vertical and horizontal cable management systems.

Classic design

- "L" shaped standard legs.
- Matching metallic pedestals.

For price guide and optional extras, see pages 92 to 93.

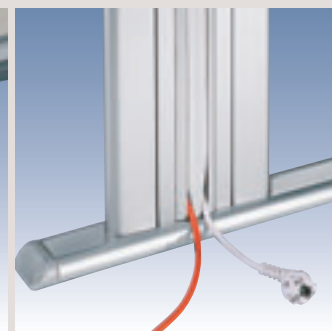

Operator Furniture

PERFORMER cable management

- **Horizontal**
Via swivel action microperforated sheet steel cable trough on the visitor's side of the desk.
- **Vertical**
Within the legs via built in PVC cable casing.

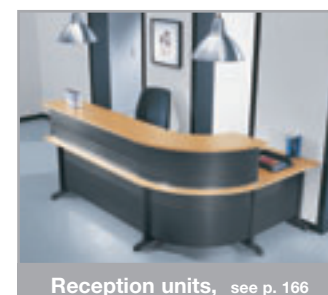

Link-up between cable trough and leg

Vertical cable casing

Support frame and swivel action cable trough

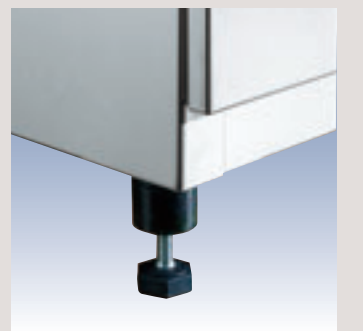

Reception units, see p. 166
