### K.WEST

#### Intelligent design

A cleverly designed range built around two main desks, a giant pedestal and a return with supporting wall. These key elements form the basis for 12 stylish, modular furniture combinations in a choice of shapes and sizes.

Contemporary, versatile and inexpensive, K.West is sure to be high on the wish list of many a go-ahead manager.

- 38 mm thick melamine-faced tops, legs and "return" wall. Edges protected by 2 mm thick strips of ABS. Surface of return also available in white lacquered glass (matt finish).
- Height of main desks : 74 cm
- Height of returns and pedestals : 69 cm.
- Structural modesty panel.

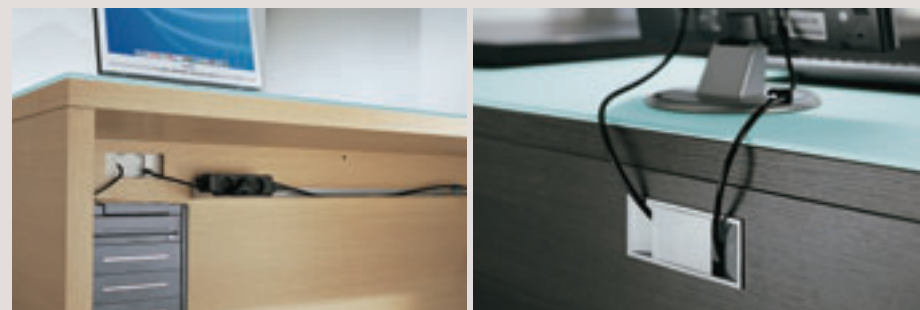

## K.WEST

### Structure :

- 20 mm thick, melamine-faced structural modesty panel, height 35 cm.
- Reversible (left-hand or right-hand) return wall with built-in rectangular cable ports. Surface available in melamine or in matt lacquered glass (8 mm thick). This glass version is silky to the touch with a matt finish which makes it easier to look after.
- Panel leg, width 60 cm, set back for added stability.

### Optional cable management :

- horizontal : in the form of a metal trough, attached to the inner surface of the modesty panel. ;
- vertical :
  - in the form of a 5 compartment ABS cable trough, attached by double sided tape (supplied) to the leg or pedestal.
  - in the form of a plastic articulated vertebral cable holder, ø 64 mm, for attachment to the underside of the desktop.

### K.WEST complementary units

The K. West range includes a choice of matching storage units : mobile pedestals, low cabinets with doors in melamine or matt lacquered glass and melamine cupboards. Meeting tables are also available in square, 120 x 120 cm, and rectangular, 200 x 100 cm, models, each fitted with tubular steel legs in an aluminium lacquered finish (60 mm square section).

Horizontal metal cable trough for attachment to the modesty panel.

Metal CPU holder for attachment to the panel leg.

### K.WEST giant pedestal

A key component of the K. West programme, the 3 drawer giant pedestal is designed to be positioned towards the outer edge of the desk, thereby providing valuable additional surface space.

Generously proportioned, the pedestal offers plenty of scope for easy reach filing and adds an extra touch of style to the desk.

- W x D x H cm : 60 x 80 x 69, with 38 mm thick top.
- Built in mini-drawer for pens etc.
